## INTRODUCTION:-

The Company and Company Directors Have long Experience in the field of Civil Construction work. Company establishes in 2007 but company directors are in this field of construction from 1994 more than 30 years. The Company has over the years-built townships, schools, institutions, multi-stories Residential buildings, shopping malls, administrative buildings, factories, roads, hospitals and lots more. The companies are inspired from the concept of professional ethics, quality standard, time frame board mindedness and framed with the concept of

- ❖ Team works sprints
- ❖ Cost minimization
- ❖ Standard and quality Executions
- ❖ Efficiency with timely completion
- ❖ Optimum utilization of man, Machine & Power

Professionally managed quality construction work within time frame is the role motto. The company possesses enough financial back ground. Seasonal technical staff and labour, quality machines and professional expertise to execute all type of civil construction work even tedious jobs.

While directors would formulate and monitor overall policies, their efficient implementation will be entrusted. To respective product operations constant interaction between director and consulting engineer will bring about managerial autonomy with responsibility to succeed in the emerging environment of the 21<sup>st</sup> century and in the era of liberalized economic polices, industries/ business entrepreneur will have to undergo expansion and modernization and above all become competitive.

With This is mind ***Aasra Projects Private Limited***. Always look forward the socioeconomic object in its mind in planning and for Utilization.
